144" Racetrack Conference Table in Matte White Finish

TABLES

Soft curves and elegant lines means everyone has a comfortable seat at the table. Our round meeting tables have an X base, giving you more leg room than a rounded table base. Our racetrack conference tables boast a strong decorative beam for additional support with our larger sizes receiving an additional wide, sturdy leg to maintain stability and protect against warping.

HEIGHT ADJUSTABLE BASE

.BLK

.SLV

.WHT

The iRize Height Adjustable Straight Base is made of steel with a holeless column design for a modern look. Ultra silent, iRize base is equipped with a dual-motor system to enable a faster, more stable adjustment. It has a 2-stage column with a sensor to prevent against pinching and collisions. Compatible with fluted Kai Laminat straight worksurfaces. Imported from Vietnam.

Specifications

Max Load Capacity	220lbs
Speed	32mm/s
Power Type	100V - 240V
Decibel	19.3"
Stroke	<50dB
Height Range	27.2" - 46.5"
Recommended Table Top	47.2" - 78.7" (WIDTH) 23.6" - 31.5" (DEPTH)

SKUs

BLACK BASE K-268.BLK
SILVER BASE K-268.SLV
WHITE BASE K-268.WHT

Seven Button Remote

Features three programmable height presets and a timed reminder to alert the user when to put the base into sit or stand position.

HEIGHT ADJUSTABLE BASE

.BLK

.SLV

.WHT

The iRize Height Adjustable L-Base is expandable to accommodate many surface types. Compatible with Kai Laminate tops, it can feature an extended corner worksurface for the main desk, which gives it an effortless, upscale look. Made of steel, it features a holeless column design with 2-stage, dual motor system. It also has a sensor to protect against pinching and collision with focus on precision and stable adjustment. The noise from the motor is quiet enough not to disturb you or others in the workplace. Imported from Vietnam.

Specifications

Max Load Capacity	330lbs
Speed	32mm/s

HEIGHT ADJUSTABLE DESKS

.ESP

.MAHO

.WHT

.SG

.WN

.BLK

A height adjustable desk is more than just a standing desk, it allows you to make precise changes to your workspace to make it more comfortable and better for your health. Not everyone is the same height, so no fixed desk can be right for everyone. With a height adjustable desk, you can move your joints into proper alignment whether you are seated or standing to prevent against carpal tunnel, eye strain, shoulder hunching and more. Keep forgetting to switch positions? Now you can set a timed reminder with the iRize seven button remote.

iRize height adjustable desk meets the BIFMA ergonomic guidelines for height ranges 5' - 6'3 individuals in both seated and standing position.

HEIGHT ADJUSTABLE DESKS

Now at the press of a button, your whole workspace can rise when you do. Perfect for multiple monitor set up or if you need more surface area than a traditional straight height adjustable desk. Need more storage? Add a mobile pedestal to slide underneath for convenient under desk storage. The top features an extended, rounded corner that is ideal to stand at or pull up a chair.

iRize height adjustable desk meets the BIFMA ergonomic guidelines for height ranges 5' - 6'3 individuals in both seated and standing position.
